# **Congratulations on qualifying for The JCB Pony Club Championships 2022!**

We are delighted to be staging our Championships at Offchurch Bury, near Leamington Spa for the second time. We are very grateful to our hosts, Mr Harry Johnson and his family and to Lloyd Hunt, an ex-Pony Club member, who is building the cross-country courses and overseeing all other infrastructure.

This programme contains what we hope will be useful information, so please read it carefully. We all wish you good luck and hope you enjoy your time at the Championships.

## **CHAMPIONSHIP SPONSOR**

We are proud to be partnered with JCB as the sponsor for our Championships from 2021-2023. We welcome the support of this innovative, globally recognised, and pre-eminent British manufacturing company.

## **USEFUL CONTACTS**

**Information Helpdesk (during event): Tel 07955 118691**

**Stable Manager: Tel 07989 414848**

**Emergency (Night-time vet, fire, security or first aid): Tel 07407 000999**

## **WHATSAPP GROUP**

There is a Pony Club WhatsApp group for the Championships which we encourage all competitors and parents/coaches to join. By joining this group, your details will be visible to other members of the group. It will be one-directional only and used to transmit time relevant messages and updates to scheduled competition and prize giving times. We hope to make better use than we did last year of this WhatsApp Group as a communication tool.

## DIRECTIONS

**Offchurch Bury, Offchurch, Leamington Spa, Warwickshire, CV33 9AW**

**what3words: served.overheat.sprouts**

Please follow The Pony Club Championships road signs carefully on the approach and enter via the gate indicated. A one-way system will be in operation on site for the duration of the Championships, albeit that in a change from last year, the exit route will vary depending on whether the cross-country course is in use, but it will be clearly marked. Please ensure you do not disturb the village of Offchurch by driving through the centre in horseboxes or trailers – following the signs will ensure you avoid the village.

# CAMPING AND PARKING

## HORSEBOX/CAMPSITE PARKING

All competitors, parents, coaches, DC's and other supporters will camp and park by Area/Region, irrespective of the sport in which they are competing or playing a supporting role. Please keep the campsite area tidy and safe. The main driveways through the campsite must be kept clear and horseboxes and trailers must park in accordance with the instructions given by parking officials.

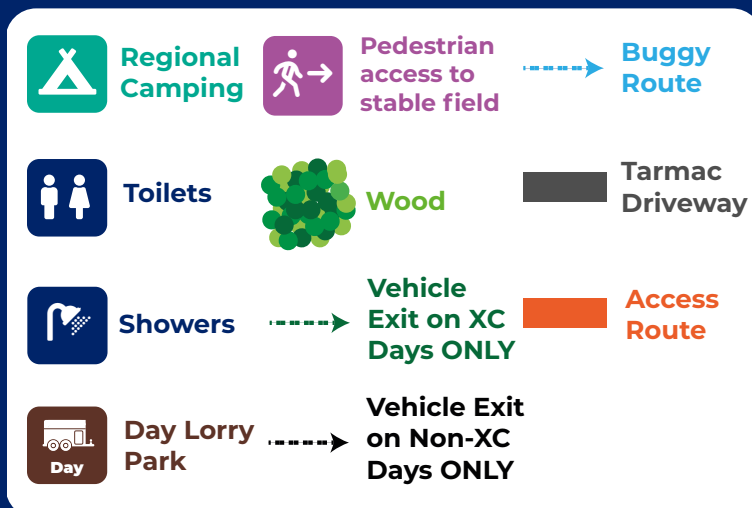

## DAY PARKING

A day parking area will be available for horses visiting by the day, and we ask that you take your muck home with you. Please do not park under trees with large low branches and be ready to follow the advice of the parking marshals at all times.

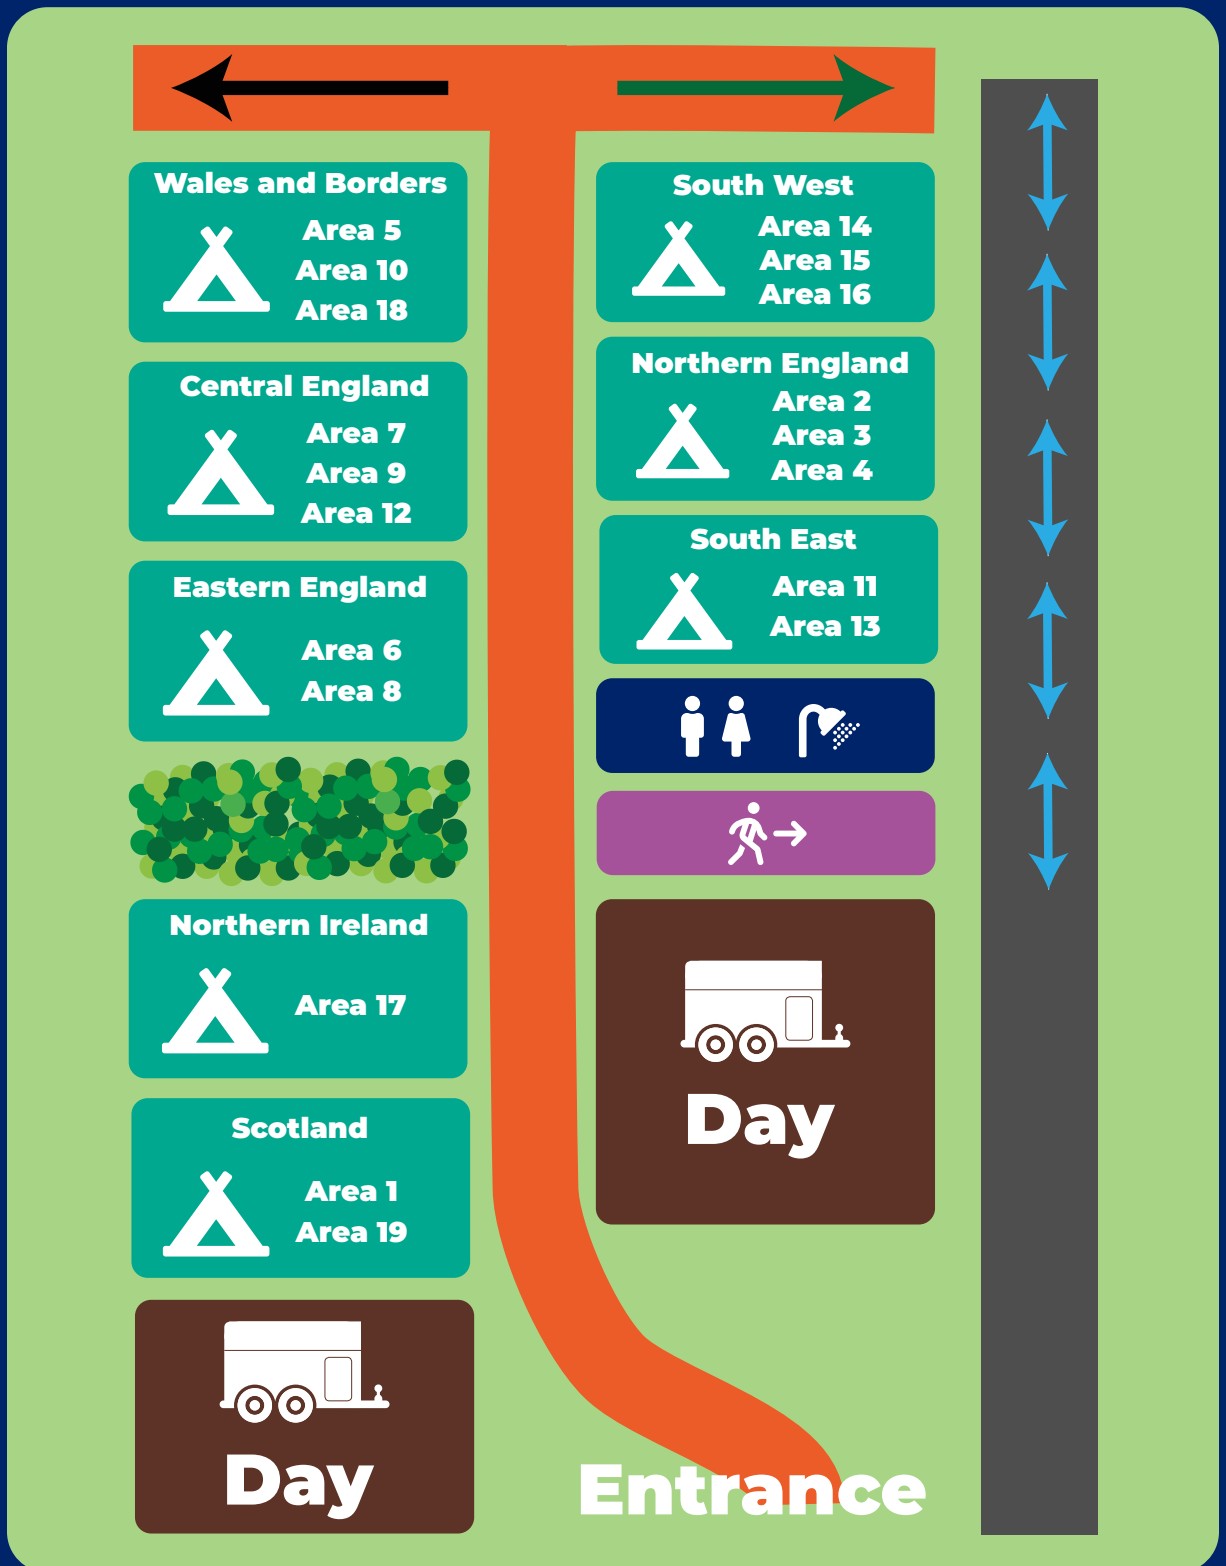

## DISABLED PARKING

Disabled Parking can be applied for in advance using the link <http://events.pcuk.org/?p=8925> by those who possess a Registered Disabled Person's Car Badge or are temporarily immobile. Passes will be issued providing disabled parking adjacent to the central hub/trade stand area. It will not admit drivers to the Cross-Country Course.

A buggy will provide a regular delivery service from the campsite, day parking area and disabled parking area to the Cross-Country start, Polo pitches and Horse and Pony Care during the hours of competition. Anyone wishing to bring their own mobility device should only use them in pedestrian areas.

# CAMPSITE LAYOUT

## FIRE PRECAUTIONS

All horseboxes and trailers should be equipped with fire extinguishers located in positions that are easily accessed by the driver. In the event of fire, please inform an official immediately. If possible, use fire extinguishers to put out the fire, but do not put yourself in any danger. Follow the instructions of officials and if you are instructed to vacate the campsite or stables area, please do so immediately leaving all personal belongings behind, assembling in the day parking area until all clear is given.

**It will be apparent the moment that you arrive at Offchurch that the campsite field has browned off in this incredibly dry summer and constitutes a fire risk. The grass is short, but in the absence of any forecast for rain we have to assume that it will remain dry and easily combustible. We have, with regret, concluded that in order to mitigate the fire risk, we must prohibit the use of all barbeques, or portable stoves on grass at the Championships. Portable gas stoves may be used in trailers and horseboxes provided fire extinguishers or buckets of water are immediately available. Fixed gas and electric hobs in horseboxes or caravans may still be used. We acknowledge that this will cause inconvenience but hope you will all understand the need for and support the implementation of this measure.**

**We are also concerned about the fire risk posed by people smoking and would ask that no smoking takes place anywhere at Offchurch while standing on grass. If you wish to smoke, please ensure you find an area of tarmac or hard core that is not flammable and extinguish and dispose of your cigarette butt with great care.**

**In the interim, Lloyd Hunt and his team continue to work many hours each day to do everything they can to make the riding surfaces as horse and pony friendly as possible.**

## **GENERATORS/NOISE/BEHAVIOUR**

Please respect other competitors (See Codes of Conduct). We ask that all generators are switched off by 11pm. Please keep noise down after this time. Last year there were late night occurrences of petty vandalism and petty theft of Pony Club property. Anyone found to be engaging in such behaviour, no matter how minor, will be automatically disqualified from previous or further competition as an individual and any team of which they are a member will also be disqualified.

## **SITE MAINTENANCE**

We are privileged to be allowed to use this site. Please make sure that you keep the area around your horsebox tidy and put ALL rubbish in the skips provided. An unacceptable amount of rubbish was left behind after last year's Championships – this does not reflect well on The Pony Club, and it is incumbent on everyone to ensure they take pride in leaving the campsite in a pristine state.

Recycling bins will be available in the central hub area. Please ensure you use the correct bin for the correct waste materials – failure to do so will give rise to unnecessary expense and will jeopardise our efforts to act in an environmentally responsible way. There will be no recycling facilities in the campsite area – if you wish to recycle, please either bring your recyclable waste to the bins in the central hub area or take it home with you.

## **VEHICLES**

Cars will not be permitted on the cross-country course at any time unless driven by an Authorised Official or Steward. No quad bikes or mopeds are permitted. Bicycles and electric scooters are allowed, but they must not be ridden in the horse walks, on the cross-country course or at a speed exceeding 10mph near horses or pedestrians, nor must they enter the central hub or stabling field – bike racks will be provided in both for cycle parking. The rider and parents are responsible for the wearing of protective headgear and the responsible use of bikes and scooters, which will be confiscated if the rider is deemed to be a danger to themselves or others.

## **MEDICAL**

Doctors and/or Paramedics or First Aiders will be on-site during competition hours. If any member of the public requires First Aid, please contact the Information Helpdesk or visit the First Aid point situated by the central hub which will be clearly marked. The emergency number for overnight emergencies is 07407 000999. The nearest A&E hospitals are Warwick Hospital, CV43 5BW or Coventry University Hospital, CV2 2DX.

# STABLING

Stables are provided with Sundown Bedding rape straw shavings included. Absolutely no straw, wood shavings or other bedding may be brought onto site or utilised in the stables.

Rape straw has been selected because of its swift decomposition properties. All stables will be disinfected by Equine BioGenie before initial occupation on Thursday 11th August. Should you wish to disinfect your stable again before occupying it you may contact Equine BioGenie to book them to disinfect again – there will be a charge per stable, payable direct to Equine BioGenie, which they will advise.

Stables may not be occupied before **6pm on the day of arrival** and must be vacated by **4pm on the day of departure**. Please ensure you put your horse/pony into the stable you have been allocated – considerable confusion and check-in delay was caused last year by people putting their horse in the wrong stable, which just creates chaos. Please use the muck heaps located behind the rows of stables. Please do not tie up your horse to the outside of your stable, only to the inside, thereby minimising the risk of escape or being kicked. Please do not wash your horse down in the stable area as this will create a bog.

On departure, stables should be skipped out, any hay or feed should be removed, and all residual bedding should be stacked against the back wall. We ask and expect you to leave the stable as you would like to find it. The Pony Club will not be overseeing or responsible for the cleanliness of vacated stables and if they are left in a poor state, it is up to the next occupant to make good any inconsiderate mess left behind, before then occupying the stable.

# STABLES LAYOUT

# HORSE WELFARE

## VETERINARY

A Vet will be on-site during competition hours and on-call overnight. Please contact the Stable Manager, Emergency Number or Information Helpdesk if required. The costs of all treatment must be settled directly with the veterinary practice.

## BIOSECURITY

Biosecurity measures must be observed to prevent the spread of disease. The Championships' Biosecurity Policy is available on The Pony Club website and applies to ALL horses and ponies attending the Championships.

Water will be freely available from banks of taps in the stabling field.

## **PASSPORTS AND VACCINATIONS**

Horse and ponies which are unvaccinated or whose vaccinations are not up to date pose a risk to the health of other animals attending the event. It is the responsibility of everyone who makes entries to the Championships to ensure that all vaccinations are up to date and that all ponies or horses travel with their passports.

The Pony Club rules require that an initial course of injections is given followed by boosters at intervals of not more than 12 months. The latest booster must have been given within 6 months 21 days of the date of the competition. No horse/pony can compete on the day of vaccination nor for the six subsequent days.

All horses/ponies are liable to be checked for compliance, and anyone found arriving without a passport or with a non-compliant vaccination record will regrettably, but without exception, be required to leave the premises immediately and unable to compete.

## **FARRIER**

A farrier, Sam Stansfield will be available during competition hours. All work must be paid for directly to the farrier. He may be contacted on 07837 971996.

# COMPETITION

## EXERCISING / WARMING UP / HACKING ROUTE

Exercising of horses should take place in the designated horse exercise field adjacent to the stables. No lungeing of horses or ponies is permitted at the Championships. The correct hat must be worn at all times when mounted with the chinstrap fastened.

Mounted Games, Polocrosse, Dressage, Show Jumping and XC will all have their own designated warm up areas. Competition rules regarding tack and equipment apply in these areas.

When moving from arena to arena or from lorry parks or the stables to competition areas please use the roped-off Horse Walks – WALKING PACE ONLY.

If your horse is liable to kick you must wear a RED RIBBON at all times when mounted.

**Collecting Rings** – These are only for use by competitors taking part in the Competition at the time and must not be used for general exercising.

## CROSS COUNTRY COURSE WALKING

The Cross-Country Course may be walked on foot for the duration of the Championships. Competitors should be aware that alterations may be made to the course up to 2pm on the day preceding their Cross-Country competition. For Teams or Individuals without Coaches there may be the opportunity to walk the course with experienced riders and Officials – please enquire at the Information Helpdesk.

## **WITHDRAWALS**

Any Withdrawals/Substitutions must be made as prescribed in the relevant Sport's Rule Book and handed in to the Information Helpdesk.

## **OBJECTIONS/APPEALS**

Please read the sport specific Rule Book carefully to identify the correct procedure to be followed.

## **PRIZEGIVING**

Please be ready at the prize-giving marquee 15 minutes before the scheduled start of prize giving. All competitors must be correctly dressed in their competition clothing. Online scoring will be used throughout the event at [www.ponyclubresults.co.uk](http://www.ponyclubresults.co.uk). Trophies can be taken home upon completion of the Trophy Contract and payment of the deposit.

## **PERFORMANCE ENHANCING DRUGS**

Performance enhancing drugs are forbidden. Random samples may be taken from any competing athletes, both human and/or equine.

# GENERAL INFORMATION

The Information Helpdesk will be the point of contact for all competitor queries. It will open at 3pm on Thursday 11th August and be open daily from 07.30 until 18.00 for the duration of the Championships. Competitors are responsible for providing their own number bib and printing sufficient copies of their number to withstand potentially wet conditions. Numbers should be downloaded from The Pony Club Results webpages and printed off before traveling to the Championships. Bridle Numbers are permitted for Dressage and Show Jumping phases provided they are present on both sides of the bridle.

## CATERING FOOD OUTLETS

Roaming Giraffe will be our exclusive food suppliers for the duration of the event. Owned and operated by ex-Pony Club members Jack and Hen Bevan, they cater at events from Glastonbury to Goodwood Revival, Windsor Castle to Audley End.

They will be located adjacent to the trade stands and central marquee and operate a vintage coffee shop, offer a diverse selection of food options including pastries, rolls, toasted sandwiches, baked potatoes, burgers, pizzas and Greek food, and operate a bar with a range of alcoholic and non-alcoholic beverages. They will be open from 7am each morning to supply breakfast and lunch and a different theme of dinner each evening. The bar will not be open on Sunday 14th August.

## DOGS

Please do not bring your dogs to the Championships unless there is absolutely no alternative. If you have to bring them, please:

- Keep them on a lead at all times.
- BAG IT AND BIN IT - Immediately clear up after them. Please do not leave poo bags on the ground/hanging on fences/jumps/bushes – the site is a working farm and farm animals will graze the land when we have gone.
- Do not leave dogs in cars if it is warm and always ensure they have plenty of water and ventilation.

**OWNERS OF DOGS FOUND OFF A LEAD ANYWHERE ON THE SITE WILL BE FINED £100**

## OFFICIALS & VOLUNTEERS TENT

Area 7 have extremely kindly volunteered, as the “host” Area local to Offchurch, to provide a hospitality marquee for the duration of the Championships. All Pony Club Officials, Championship Volunteers, D.C.’s, Centre Proprietors and Cubitt Award holders are invited to use the dedicated marquee where tea & coffee will be served throughout each day of the Championships.

## LEGAL LIABILITY

Save for the death or personal injury caused by the negligence of anyone for whom they are in law responsible, neither the landlord nor The Pony Club, nor any agent, employee or representative of these bodies, accepts any liability for any accident, loss, damage, injury or illness to horses, owners, riders, spectators, land, cars, their contents and accessories, or any other person or property whatsoever, whether caused by their negligence, breach of contract or in any other way whatsoever.

## **HEALTH, SAFETY AND WELFARE**

The Pony Club takes its health and safety responsibility seriously and undertakes risk assessment for the event. We aim to ensure that hazards and risks to the health and safety of competitors, volunteers, visitors and contractors are identified and adequately controlled. We ask all competitors and visitors to act in a safe manner at all times and report any issues that cause them concern.

In hot weather, please ensure you remain hydrated - be especially vigilant to cool horses down and ensure they have access to water at all times.

## **PHOTOGRAPHIC RIGHTS**

Unless you have specifically advised the Information Helpdesk to the contrary, it is a deemed condition of entry that competitors and their parents/guardians give permission for any photographs/videos/other images taken by press/outside agencies/official Pony Club photographers at The Pony Club Championships to be published in the press and on-line for publicity purposes and in any subsequent official Pony Club publication. The Pony Club will select photographs for publication with care and respect for those shown.

## **CODES OF CONDUCT**

The Pony Club Codes of Conduct are published under the Policies page on pcuk.org. These outline the ethos and behaviour expected of Members, Parents and Guardians, Coaches and Officials, Volunteers and Staff. Please familiarise yourselves with these codes and ensure you adhere to them.

**IF YOU HAVE ANY QUERIES, PLEASE CONTACT THE INFORMATION HELPDESK ON THE PHONE NUMBER GIVEN ABOVE.**

## **PRIZES**

We are very grateful to the following who have kindly donated prizes to the event:

JCB

Worshipful Company of Saddlers

Aztec Diamond

PolyPads
